The past week will ever be a memorable one of our business. Never before were our efforts appreciated to such an extent. From Monday Morning to Saturday Night there was not a dull minute, but notwithstanding the unprecedented success of the greatest sale we ever advertised and the immense loss to us on the goods sold, we are not yet done with the sacrifices. We started out with the determination to entirely sell off this \$25,000 surplus stock, but there are Odds and Ends and Remnants of the different lots to the amount of about \$5,000 which are yet to be sold off. Hence we have decided to continue this sale for Monday and Tuesday only, when our stores will open at 8 A. M. and close at 5 P.M. There is in our basement 76 cases of Early Spring Goods of every description waiting to be opened, hence this sale positively ends with the closing of our doors Tuesday afternoon. If you will LOWEST PRICES. profit by last week's experience you will come as early as possible, for there are many, many things lower in price and many things offered now which were not reduced last week.
